

Canada's Premier **FREE** Music Festival

Call for Submissions

**“Jazz in Motion” The Beaches International Jazz Festival’s
Second Annual Juried Photography Exhibition.
To be held July 20th to 29th, 2012.**

<http://www.beachesjazz.com/photo-project.html>

Deadline for Submissions Tuesday July 3rd, 2012.

The Beaches International Jazz Festival is pleased to announce its third annual Juried Photography Exhibition entitled **“Jazz in Motion.”** 2012 marks **24** exciting years of outdoor jazz concerts in Toronto’s Beach community. To acknowledge this achievement, we’re inviting photographers to submit their best images that define the essence of jazz music, jazz musicians and the audience which supports them. These images can originate from Jazz jam sessions, festivals or concerts which have taken place locally or elsewhere across the globe.

A **photography pavilion** will be set up to display an exhibit of chosen images in both **Woodbine Park** (Friday July 20th - Sunday July 22th, 2012) and **Kew Gardens** (Saturday July 28th and Sunday July 29th 2012).

Slideshows of the photography will also be shown during **Streetfest** on Queen St East (Thursday July 26th - Saturday July 28th).

Top **three winners** of the juried photography competition will receive a prize of backstage media passes for the duration of the 2011 Beaches International Jazz Festival. As well, winning artists will have their work and bios displayed on the Beaches International Jazz Festival website.

This is your exciting opportunity to network and take photos alongside accredited media photographers; meet Festival musicians up close and personal; and have front row/backstage views of the Festival scene!

The jurors of the 2012 T.B.A. The Jurors of the show will officially open the Exhibit and announce winners at 5 pm on Friday July 20th in the photography pavilion in Woodbine Park.

What We’re Looking For – Our 2012 Theme

We’re looking for photographs that define the beauty of jazz - photos of the artists; the instruments; the passion; the people; the scene. Photographs taken at the Beaches International Jazz Festival, at other acknowledged jazz festivals around the globe and at jazz concerts and jam sessions will be accepted. All photographs entered will be considered for posting on our flickr group.

Bringing you: **WOODBINE PARK | STREETFEST | KEW GARDENS | LATIN SQUARE | BIG BANDS ON THE BOARDWALK** and much more...
