Jazz Festival, one of the most lively and anticipated annual events in Toronto. Sure we’re all eager for another exciting year of live music in the East End.

This year, the Beaches Jazz Festival will be running from July 6 to July 30, 2023. Following two years of virtual programming, it was fantastic to gather in person at last year’s event, and I am sure we’re all eager for another exciting year of live music in the East End.

I would like to commend the many individuals both on stage and behind the scenes for their hard work in coordinating this year’s festival. You can take pride in your commitment to bringing people together through the medium of music.

Please accept my best wishes for an enjoyable experience.

A MESSAGE FROM PREMIER DOUG FORD

I want to welcome everyone to the 35th Annual Beaches International Jazz Festival.

Toronto is home to a lively music scene. Since the postwar period, the city has been a centre for jazz, attracting talented musicians and music club entrepreneurs. Jazz and its related musical forms have always been an integral part of the city’s music and cultural scene.

Thanks to the festival’s board of directors and committee of organizers for the time, energy and creativity they’ve invested in making this event possible. They have helped make this one of our most-anticipated festivals.

Our government is working to create jobs and drive local tourism by investing in festivals and events in communities across the province. Through this investment, our government is sending out a positive signal that Ontario is open for business, and is the best place to work, live and raise a family.

Have a wonderful time at the festival and best wishes for many more years of success!
Get ready for an incredible weekend of Latin rhythms and dance at the Beaches Jazz Festival's Salsa on the Beach! Woodbine Park will come alive with the vibrant sounds of Salsa, Merengue, and Cumbia, celebrating the diversity of nations. Best of all, admission is completely FREE!

Imagine dancing to the energetic Latin melodies, feeling the rhythm in your bones as Woodbine Park transforms into an open-air dance floor. Whether you’re a seasoned Salsa dancer or just love to move to the beat, Salsa on the Beach will be a feast for the senses.

But that’s not all! While you’re enjoying the incredible music and dancing, you can also indulge in delicious treats from food trucks, explore various vendors, and even relax in the beer garden. It’s a complete package of entertainment and fun.

So mark your calendars for July 14-16, 2023, and make your way to Woodbine Park for Salsa on the Beach. It’s an experience you won’t want to miss, where the spirit of Latin culture and the joy of music come together in a truly unforgettable way. See you there!
